## **EASI Articles**

## **Blank Output**

**Abstract:** This chapter is used as a set of worksheets for class problems. Students fill in their answers on these sheets, thus making clear the links between non-computer (“hand”) calculations and the EASI output.

**Keywords:** EASI output, worksheets

**Original:** July 2020

**Updated:** May 2025

**This document is part of an online statistics Sourcebook.**
